ENJOY THE RIDE

I thought she was one sexy woman when she had the glasses on, but then, as I saw her with them off, I swear she was the sexiest woman I'd ever had in my sights. I'm Jess and we worked together and for the last month we've been flirting around the water cooler where she admitted to being gay. Strangely, I found that a turn on. We were going out on Friday night after work to a lesbian bar. I've been to one before, but that was years ago and I'm sure they are different now. After the bar we went back to my place since her male roomie was at her place.

In my living room, we made out for a minute in our clothes, but they did not stay on very long. I slid down to Raynee's crotch. I had a few gay experiences in college, but that was ten years ago. I feared I wouldn't be able to satisfy her completely but I was more than up to the challenge. I leaned down and ate pussy for the first time in more than ten years. It

tasted even better than I remembered.

Let's just say, all my nervousness disappeared after about five seconds. I quickly got into it and Raynee leaned back to enjoy my attentions, but in a short while it would just become too much for her to take. I heard the rapid breathing, she was already getting towards her limit. I just kept pushing it and fucking her senseless with my tongue.

With her pussy lips spread out, my tongue was almost a deadly weapon in this situation. She leaned up and put her hands onto my

smooth ass. I noticed as she did that a little more of her pussy juice came flowing out. Maybe she was more than a little curious, but whatever her motivation was, she was about to explode.

Just as I knew she would, Raynee came all over my face and the sofa as well. As my face was drenched, I got up and went over to my cabinet. She knew exactly what I was going for and when I had the dildo in my hand, I brought it back over to the sofa. I kissed her once

Diamond in the Buff!

Finally, one of the biggest stars in adult – in print! I have seen all of Skin Diamond's movies (I think), but never seen her in a magazine. She is a major fox, and the photography of her is spectacular. While I like to watch her fuck on the internet, seeing her posing alone, like in the issue make her undoubtedly one of the finest example of womanhood I have ever seen.

Jason, New Orleans

as I slid the dildo into her wet pussy. She pulled me down closer to her and laid her lips on my neck a few times. Both of us were breathing quite heavily the whole time.

Raynee leaned her head onto my boob and I put my other arm underneath her holding her there. I began thrusting the dildo even faster in and out of her pussy, and she seemed to love it. I kissed her and put that dildo deep inside her at the same time, and she loved it. If she wasn't lesbian when she came

over, she definitely was by now. She even used her tongue a bit as we made out.

I got down towards her crotch and began eating her out again. At first I didn't use my fingers

fying though. I thought it was the biggest orgasm she ever had, judging from how wet my face was and the reaction she had after it was over. As I was done, she still had her eyes closed and leaned her head back.

at all, I just went in and used my tongue. I licked her pussy slowly numerous times and she just seemed to love it. She put her hands on her boobs and began pinching her nipples and squeezing her boobs. I couldn't help but spread out her pussy lips and really show her what I could do with my tongue.

I stuck a finger into her pussy for a second, and then that was when it happened. It was quick, but it was still very satis-

I didn't know if I should touch her or say anything, I feared it might ruin whatever she had going on mentally I mean. After about two minutes I laid my head next to her's and put my right hand onto her right boob. I gently pinched her nipple, and that was when she opened her eyes.

I leaned in and kissed her again. A minute later, without saying anything, she slowly went down

towards my crotch. I could tell Raynee was still nervous, even though I made her cum twice already. I leaned up a bit and brought her to me to kiss her. She slowly went down and began eating me out. She just licked my pussy slowly for a few minutes at first, then she stuck her tongue deep inside my pussy.

I just lay back and enjoyed the ride. She preceded to spread out my moist pussy lips and stick her tongue in just the right spot. As she noticed that I was really enjoying myself, she got a little more feisty. Even though I was moving a little frantically, she kept her mouth right on my pussy. Just as I expected, I had multiple orgasms, so it lasted for a couple minutes. She just stayed right there and took all she could get. Once I was done, she slowly climbed up with me and lay next to me.

UNDRESSING ROOM

Less than a month ago a new men's store opened at a Dallas mall near my house. I had wanted to stop in and see what they carried but work was just so time consuming that I didn't get the chance. Until last weekend.

I noticed in the paper they were still having their grand opening specials and I needed a

couple pairs of slacks for work. So Saturday morning I went in about 10:30 and looked around. It seemed like a nice store and there were probably five or six single guys in the store, a few couples and several single women. The salespeople were dressed in black pants and dark maroon polo shirts with name tags on them. All were smiling large and doing their best to make a sale.

I found a display of dressy slacks and started rummaging around in them to find my size. After a few minutes, a petite, but quite attractive, salesgirl came over and asked me if I needed any help. I looked up, smiled and said I was doing fine. She said if I needed any help, her name was Ronnie. I smiled back -- and she winked at me.

Now I'm not the best looking guy, but I'm not bad. Almost six foot, 32 years old and bald on top. I'm looking for a 36 x 34 pant, no cuff. One in black and one in dark blue. I find a black one and head off for the dressing room. I find an empty room and tried them on. Too big. I go back for a smaller size and see Roxxi straightening the pant display I was just at. I kinda apologized for making a mess and she just giggled and asked if those fit. I told her I needed a smaller waist and told her 34" would

probably be right.

She quickly found one and handed it to me and I said that if these fit, I would like to get a pair in dark blue. She said she'd find one as I headed back to the dressing room. I went in and hung the pants on a hook as I undressed. Then I heard someone else come in to the changing area. I heard the latch on my dressing room door open. In steps Roxxi with the dark blue pair and says that I should try these on too. I'm standing there in my boxers with a cute salesgirl really wanting to make the sale. Then I felt a long fingernail trace the waistband of my boxers.

I struggled to say something appropriate, but instead I felt my blood begin to rush as she tugged at my underwear, pulling them down around my ankles. She pressed herself against me and I could feel her nipples through her polo shirt. She planted a kiss on my neck and my mind began to reel as her hands found my cock and she began to play with it.

My cock was erect by now and I closed my eyes as one of her hands slid up and down the length of my shaft, and the other began to knead and massage my scrotum. I reached down and rubbed my hand against her crotch as I pushed her against the wall and knelt down in front of

her. She had already unbuttoned her pants and began pulling them and her panties down in one swift motion.

She was smoothly shaved and smelled sweet and a little musky and that was a huge turn on. I kissed her tummy and worked my tongue down on her mound. She spread her legs slightly, and I pulled her panties off. She gasped as I began to nuzzle in her mons.

I began to kiss and lick softly along the opening of her pussy lips, and she lifted her legs so that her weight was now being borne on my shoulders. I teased her pussy, kissing and licking it. She wrapped her legs around my head and pressed my face tighter into her crotch. Her fingers were running through my hair as I sucked on her pussy, and her breathing became quicker and louder.

Roxxi couldn't take anymore of my tongue and climbed off of my shoulders drawing me to my feet. She made me sit on the bench and immediately went for my cock. She took it into her mouth and began pumping furiously. I closed my eyes and listened to the sounds of her slurping and sucking on my cock were driving me crazy.

She gave my cock one long suck and then stood up. She wrapped her legs around my waist and I

guided my cock into her sweet pussy.

She leaned into me and began nibbling on my neck as she humped my

and she told me to hold it for a moment and getting off me, she dropped to her knees and took my cock, and then all my spurting love juices,

cock. Everything she was doing was driving me crazy. I kissed her, and I felt her tongue trying to enter my mouth but most of my attention was directed towards fucking her brains out as quickly and as quietly as possible.

I adjusted my penetration so that the majority of the friction was against her clit. As I pounded in and out, she began biting my ear while trying not to scream. I could feel my come beginning to rise as well, and I told her so. In response, she tightened her grip on my waist and I increased the rate of my pumping.

I moaned into her ear that I was about to cum

deep into her mouth. I held her head there as I emptied my balls into her warm mouth. She stood up and gulped a last swallow and licked her lips. She fixed her hair as best she could while I got my clothes back on. She exited the dressing room and disappeared into the store.

I took my two pairs of slacks up front to the register to pay, all the time looking around for Roxxi. I didn't see her so I paid with my card and went home, wondering if this was a new approach to selling clothes. If it is, I'll be back to find out next weekend!

A photograph of two women in lingerie. One woman, Giselle, is in the foreground, wearing a red ruffled top and red lace panties, looking up. The other woman, Donna, is behind her, wearing a white lace top and white panties, also looking up. They are both wearing large hoop earrings. The background shows a window with white blinds.

STRAPPED & VIBED **GISELLE & DONNA**

Giselle has just broken up with her boyfriend and seeks solace from her good friend. Donna is determined to help Giselle get over three years of bad loving and bad sex. First, a little lezzie love. Then Donna puts on her big strap-on which Giselle is happy to suck, and then Donna gives her a good fucking with it. Giselle is happy to return the favor with a vibe turned on full blast. Will Donna be able to help Giselle get over her boyfriend by showing her how much fun girls can have when no guy is around?

ARYANA PRISONER OF LUST

I often find myself a prisoner of my own carnal lust. Just the thought of a hard cock nearby is a real turn on. There are times I think I can even sniff out an erection. When I do, I'm already on it with my mouth to make it hard enough for my hot pussy.

BBBs gone wild

Guys have always loved me because of my excessive weight. I met the only man I ever lived with (for two years!) through a website for guys who dig fatties like me. He had an ad in it requesting any anal-loving women to contact him. I answered, sending just a photo I took of my ass. I got an immediate answer and a sweet email in which he spoke of what he would like to do with a rear end as lovely as mine. He asked if I ever wore butt plugs, took enemas or sucked ass. There were so many questions and he sounded so pro vocative, I wrote that I would like to meet him and answer his questions in person.

Two hours after we met, we were in my bedroom talking dirty. After a bit of weed we were ready for anything and I finally consented to let him examine my ass. He was so cute on his hands and knees, peering up my bung-hole as I spread my cheeks as wide as I could. We were both nude but to this day I cannot recall getting undressed.

I showed Charley my tub and he was as enthusiastic as he was when he saw my derriere. He directed me to lean over and grip the towel rods to check me out again. My head was on a level with my knees and my pendulous breasts hung down. "I love it!" he yelled as my rear poked high in the air. I felt so foolish, but when Charley parted my cheeks and began to lick my pussy, his tongue lingering at the entrance, I was in heaven.

How lucky I was to meet this wonderful man! My legs trembled as his tongue licked me from asshole to cunt. In the mirror, I saw his face buried between my thighs and heard him wetly licking away like a small boy working on an all-day sucker. My plump hips and thighs jiggle as I tried to steady myself against the onslaught of his terrific tongue. Settling down between my legs, Charley reached up one hand and gently inserted three fingers past my searing and soaking labia. As he touched my swollen clit, I jumped involuntarily then groaned as the sugar syrup began to leak out and run down my plump thighs.

He had his mouth on my Canal Street and was soul-kissing my hole. It was rather one-sided because there was no tongue in there to touch, but there was burning tissue ready for invasion and not being able to be a lady anymore, I screamed, "Fuck my hole, Charley! Please fuck my ass!"

He was on his feet at the command and his slightly curved but salamithick weapon began to batter at the pink portal of my dirt road. I smiled sweetly as he lubed my back alley and then started his ride in on it. As the head of his pole penetrated my orifice, I reached back to lovingly cup his sweet nuts and squeeze them possessively. I love a girl with a real ass, he grunted as he humped furiously at my hairy hole. As he rode easily in, I gasped and almost became dizzy with the beauty and wonder of it. As I write this I recall it and my sphincter tightens against the memory of his sweet penis in my yearning hole. "Love you," I said.

Charley was ramming and reaming so swiftly I needed two hands to hold the rods. "I love a fat ass," he said and I didn't bother to correct him. "I've fucked plenty of dirty sluts," he gasped, "but you're the best of all."

The best he called me! I began to revolve my ass and my hips rotated more for this sweet man who was grunting and almost crying with joy as he fucked my forbidden hole. I was panting heavily myself as his juice-filled balls slapped me. My tits were hanging low and they swung from side to side with the violence of his love. Charley took my milkers in his hands and slapped and squeezed them, then pinched

my nipples-hard. I was so hot I was out of my mind and I remember yelling, “**Slap the fuckers! Slap them hard! Jiggle these jugs!**” He slapped, cursed and squeezed as I went out of my mind with sex.

I tightened my detour when I felt his prick hit my bowels and then it breathed fire as he belched hot spurts of cream up my asshole. I wiggled and screamed as he shot a load into me. A few moments later he fell into the tub next to me and we turned on the lukewarm water. We were sweaty, scummy and sticky, and in love! We sucked face again for a while and then frigged each other gently as he whispered, “**I’ve bung-holed a lot of bitches but you’re the best. The others didn’t have enough meat on their bones to make a hamburger. I like a full-bodied girl like you, Anita.**” I kissed him and then he pulled away, “**I really mean it. They had no asses. In fact, one was wearing falsies on her ass. She said some company online was selling them mail-order.**” The next thing you know, they’ll be marketing pussies.

Charley and I lived together for a little over two years and we’d be together now if he hadn’t found a girl younger and stouter than I. In the catalogs and ads they refer to us as Big Girls, and sometimes we are pleasingly plump because we wear a size 14 dress and 38C bras (or larger). I’ll tell you one thing, though; when it comes to sex we make those thin bitches look like cloistered Nuns. Take me for instance. I’m 5’6 and weigh 150

mesh hosiery. Thank goodness for the many guys who like their women well packed. Did you know that some of those lard-eating rascals won’t fuck a normal sized bitch?

Not long ago I met a man in a bar and when I arose from the table and he got a look at my zat-tig hips, protruding belly and jiggly as cheeks, he tried desperately to pick me up, saying he never did it with a girl my size. Let me tell you, he was some kisser! But then it was my turn. Chet almost went up the wall as I sucked his tongue and while we kissed, I was giving him a hand job through his washed-out jeans.

I didn’t have to ask him to strip. As he pulled off his pants and

pounds plus. My lovely breasts are bigger than most girls’ heads, and my dimpled cheeks are deeper and more attractive. I like to say I am a thin bitch in my mind, and I have a bonfire between my thighs that can’t be extinguished by just a cock or two.

Now that some manufacturers are coming out with sexy underclothing for us bountifuls, I have a powder blue camisole full of lovely lace, a silk peach-colored teddy and quite a few lacy bras to house my big jugs in. Oh, and I just bought a pair of see-through bikini panties, black with pink rose-buds with Hot! sewn across the front of them, just over my snatch. And last week I bought a garter belt in white and one in black and two pair of black

shirt, I slipped out of my dress and let him get a look at my peach-colored panties. He buried his face in my sweaty crotch and I had to push him away to get the things off. His cock was a beaut, long and thick with a powerful vein running through to the end where he missed being circumcised. I loved that extra meat that escaped the knife!

I really loosened things up when I began to kiss his stick and then run my big tongue around the top of it as I squeezed his bouncers. I won't bore you by telling you what a handsome stud he was, except it just goes to show you how a bigger girl can often bring home the best. Big girls have it all over regulars for many reasons and their jug fucks are just one. Imagine some of those skinny cunts trying to fit a nice big prick between their tiny milk cans. They just can't do a good job without the Big Squeeze we larger girls can give a throbbing wand. Small bitches have to squeeze their tits so a guy can get a good fuck there, but I am built like Dolly Parton and have long and hot cleavage that's as tight as ever. When Chet fitted his rock-hard dick between my big tits, he almost died with ecstasy.

On my back and feeling like a beached whale, I let my lovely friend hump my chest while I squeezed his nuts. Each time the head of his cock nudged my chin, he smiled angelically at me. What a man! As I rang his chimes and saw him enjoying my tits, I felt like a real Earth Mother.

His balls suddenly began to twitch. The bastard was ready to shoot his fuck juice-and as I cheered him on, I wondered if the friction he was setting up would set us both on fire. Suddenly he began to spurt and his cream went all over my neck, chin and as he moved up, into my open mouth. I gripped his hot rod and jerked it as hard as I could to get his cum all over me. I love cum from a hot prick! Pulling him closer I kissed him, forcing his lips apart with my tongue and his mouth opened and we dueled with our tongues.

I reached down and parted my lush beaver and put his groping hand there. I heard him laugh as he felt the meaty flesh hanging out of my quim. Then his fingers caressed my labia and he grunted with satisfaction and plunged four fingers into my sopping snatch. It was heaven! I felt his

people gone crazy. I just loved his manly lance sloshing around in my juicy box and hearing his big balls bounce against me.

He reached up and gripped my jugs with a powerful hand and squeezed and scratched them as he grunted like a boar in heat. I knew he was coming and my hips worked against his as I felt the hot honey jetting into my big belly. He complimented me later on by saying he never knew a fat slut could be such a great lay. Not fat, sweetie, I corrected him, well endowed. As I tucked his hardening prick back into my joy hole he kissed me and then said, "You bitch! You have a clit as big as a fucking golf ball!"

"Not quite," I panted, working my hips against his cock. "Diddle me, fuck me, you motherfucker!" I yelled, really pistonning my hips against his powerful penis.

Call us pleasingly plump, big and beautiful, corpulent, even stout. Girls like me can out-suck,

cock strain at my belly and knew we had better, begin humping and so I took him gently in my hand and stuffed his big fat thing into my hole. You know how to fill a girl, honey, I whispered as his hand squeezed my fat ass, every so often savaging my big, hairy asshole as we pumped like two

out-fuck, and out-love any skinny bitch in the world. Try one of us and see!
